Digital Signage

Keep your customers and visitors informed, educated and engaged in your retail branch.

Our digital signage solution allows you to easily manage all your devices from a central location.

Our digital signage solution gives you an opportunity to interact with your customers when they are seated in the waiting area.

Our solution allows you to reach out to customers via important product announcements, programs and advertisement.

The screen allows you to upload video adverts, images and general content, ena-

Benefits:

- Extra revenue through targeted advertising.
- Stream live videos through calabox.
- Source of engaging with customers through personalized messages.
- Deliver real time information such as important announcements and alerts.

Queue Management Systems

Queue Management Systems

Our complete solution is designed to streamline queues while providing valuable management information for your branch.

Generate the printed Queue Ticket Number

Tellers can call the Next Ticket, Call Again, Cancel, Transfer, etc.

LED TV Display Screen shows currently called number

LED TV Display can show video / slideshow aside from the Queue Tickets

Admin account can create Statistical Reports on the various Queue

Ticket parameters based on dates

Benefits:

- Monitor customer arrival rates.
- Customer information display
- Organize the customer flow.
- Long trouble free service life
- Available in multiple designs
- Customizable solutions

Self-service Kiosks

Self-service

Kiosks

People have grown familiar with automation in all areas, whether registering for services, making payments, or anything else. Moreover, self-service kiosks are rapidly taking over as the go-to channel for a wide range of businesses.

- Restaurants
- Healthcare
- Finance
- Retail

Designed for on-premise deployment, our modular, stand-alone kiosks organize queues and provides valuable management information

Our ticket dispenser kiosk is an easy to install solution that streamlines your service areas as per your requirement.

Benefits:

- 91% of customers prefer a self-service channel
- Self-service kiosks save time and effort. This software handles the check-ins without you having to use any of your operational resources to make them happen.
